Vacation weeks are built into the studio schedule. Studio Vacation weeks are not made up, rather the group classes offered throughout the year offer additional education to offset HPA vacation weeks.

Studio vacation weeks are typically 2 weeks in December, 1 week in April, and 1 week in August.

Sheet music, tracks, curriculum fees, and recital fees are included in tuition.

Recital tickets are sold to audience members who attend recitals.

Late payments result in immediate hold on lessons and removal from studio calendar. \$10 fee and full tuition will need to be paid to re-instate lessons. Classes missed for late payments may not be refunded or made up.

Siblings and/or second lessons receive \$5 per month discount on 1 class rate.
