

You Can Play with Your Food (Cat)

You can play with your food before you eat it
You can chivvy your chow before you chew
You can play with your food you can't beat it
So ducky let me play with you
You can play with your food before you bite it
You can toy with your tuck before the crunch
You can play with your food why fight it
It's a crazy little game called lunch

The Joy of Motherhood (Ida)

It's the joy of motherhood
Those little ducklings
Walking round in a line
I'll do what any other mother would
To try to do my best at bringing up mine
It's the joy of motherhood
Those little perks
That make it all seem worthwhile
I'll do what any other mother would
To get my ducks decked out
And living in style

Look at Him (Ducklings)

look at him--
legs are bandy
and the knees are knocked.
look at him
dad was obviously egg-shell-shocked
bet the neighbors scream and howl
when they see our brood.
he's the foulest waterfowl
quack! quack! quack! quack! quack!
quack! quack! quack! quack! quack! quack!

Warts and All and Different have two key choices – one is high and one is low. Actors can choose whichever key best fits their voice. The higher ones sound funny in the recording, but should be fine to sing along with.

Warts and All (Frog)

Out there someone's gonna love ya
Someone's gonna love ya
Warts and all
Out there just around the corner
In amongst the fauna
Someone's gonna fall for you
Though I may look a bit Jurassic
Trust me I'm a classic in my pond
If this old frog can go a whoo-ing
Time you had a wake up call
Cause out there somewhere
someone's gonna love ya
Warts and all

Different (Ugly)

I'm just different,
But I have a sense of pride.
My looks may, well, be funny
But I hurt the same inside.
Different isn't spiteful,
Different isn't wrong!
So, why is it so hard to get along?
I only want to get along!

Wild Goose Chase (Greylag and Dot) sing both

We're off on a wild goose chase
We will be no stranger to danger
The squadron will know no fear
We're off and no matter where we go
Although the mind boggles
This gaggle in goggles
Will be sure to find your home
