Halloween and Christmas Recitals

We are beginning plans for our upcoming Holiday Recitals and students are working on Christmas/Winter/Holiday songs for either an in person recital or a Virtual Recital in December like we did last Spring. They can also come in during October and record a spooky Halloween song in costume if they want to and we'll post it on October 31st! Some of our dance classes are already working on a spooky dance and will be filming late in October in costume. We'd love to see all our students participate in the Christmas Recital in December! Watch for updates on when and where it will be. Most likely, we will make videos but if facilities open up we will schedule it in person. Either way it should be a wonderful experience. If you haven't seen our Spring Virtual Recital, check the website for our amazing student videos!

Last day for Annual Contract Discounts - Sept 30th

Huston offers an annual contract discount that is available up until September 30th. Check our tuition page on the website for more information and contact Kris if you are interested in that option.

NEW TAP CLASS for ADULTS!

Huston will be offering a casual and fun tap class for adults on Friday mornings 8:45am-9:45am starting October 2nd! Join us for a fun way to improve rhythm, balance, coordination, fitness, and strength. Contact Kris!
