## RECORDING SESSIONS

Huston is now offering studio recording sessions for audio and/or video! If you need an audition filmed, a special song memory for a loved one, or just want to experience a professional recording, you can book that at Huston! Contact Kris for details.

## NEW LOCATION OPEN MONDAY, AUGUST 17TH!

**319 E. Palm Dr. Placentia 92870**

We've been working hard on our NEW facility and can't wait for our Huston family to enjoy their new home. Downstairs features a large, open dance room, classical piano room and brand new Art/Multipurpose room!

There is also plenty of room for students to spread out, do homework and wait for classes. Upstairs, we have 7 large lesson rooms that are perfect for socially distant lessons in drums, guitar, bass, ukulele, piano, violin, viola, saxophone, and voice. We will continue to offer Zoom lessons for those who prefer to study online. See website for safety procedures Huston has in place to protect our families in our new space.

Huston School of Music and Theatre is now ... (drumroll, please) ...

Huston Performing Arts, LLC

THANKS to Amanda Huston for our new logo design!

## FREE GROUP CLASS WEEK

Huston Group Classes will be FREE to any new students the week of August 24th AND if current students refer or bring a friend they will receive a FREE class credit! See the website for Group Class Schedule!

## SCHOOL POD STUDY SPACE

If students or homeschool pods are looking for a safe space to do homework and see some friends, Huston can open classrooms and various study spaces for a small rental fee. We can also provide moderators to supervise and help with student needs. Email Kris at [hustonschoolofmusic@gmail.com](mailto:hustonschoolofmusic@gmail.com) if interested.

## TUITION AND AUTOMATIC PAYMENT DATE CHANGE

Beginning in September, automatic payments will be run on the 1st of the month rather than the 5th. Moving the date to the beginning of the month will help Huston be able to pay teachers on time and manage finances more efficiently with our new space. Thank you for your understanding! Also, check out our tuition options for Trimester, Annual, and pre-payment plans on the website under Info/Tuition. Those are great ways to save money if longer terms are good for your family.
