

## NEW LOCATION

This is our biggest news of all! Huston will be moving and opening a brand new space starting at the end of August! It's less than 5 minutes from the current Richfield studio, has a nice parking lot, bigger and more classrooms for lessons, a large dedicated dance room, and a large room for arts and crafts classes to be added to what we offer at Huston!!! The address is 319 Palm in Placentia so feel free to drive by and check it out! We will have two stories on the left side of the building as you look at it from the parking lot. Between now and then we will still offer virtual lessons, and continue opening up at Richfield as with safety and health in mind. The classrooms are BIG, so we will have no problem with social distancing in Fall. We can't wait for you to see it!!! Look for news about a Grand Opening on our social media pages and on our website.

## RECORD LIKE A PROFESSIONAL

Huston is now offering recording sessions for audio and/or video! If you need an audition filmed, a special song memory for a loved one, or just want to get the awesome experience of recording, you can book that at Huston! Contact Kris for details.

**Kyle Gaerlan, Drums**

**Caden Huston Piano/Drums**

**Jessica Spruiell, Voice**

**Dylinh Luu, Voice**

**Bailey Thomasson, Guitar**

**Haylee Ham, Dance**

## AUGUST VACATION UPDATE for PRIVATE LESSONS

As a reminder, Huston tuition is set for a regular amount of four lessons whether there are 4 or 5 weeks each month. The extra 5th weeks of lessons are considered "makeups" for vacation weeks that the studio takes throughout the year. Normally we take vacations of 2 weeks in December, 1 week in April, and 1 week in August and the lessons work out to an average of four per month over the course of the year. This year is a little different because we did not take a break in April, so we were planning a vacation of 2 weeks in the beginning of August. However, we have some options for August and wanted to know what you would prefer.

1. If you have had extra weeks from January-July (5 week months), we can take 1 or 2 weeks off in the beginning of August and come back to regular lessons after the break. Tuition remains the same because it will pay for the extra weeks we've already had lessons.
2. If you have had extra lessons January-July but would still like to continue lessons all through August and not take a break, we can do that and add single week tuition amounts to the normal month's payment.
3. If you do not have any extra weeks to cover the break in August, but would still like to take 1-2 weeks off, we can adjust tuition just for that month so you pay for only the lessons you have. Then we'd go back to our regular 4 week tuition plan in September.
4. If you do not have any extra weeks to cover the break in August and would just like to continue as usual, we can do that and billing remains the same. In that case, if you have a day where there are 5 weeks in August, we would look at the schedule of vacations to see if we would have 4 or 5 in that month.

Teachers will be in contact with each student to plan for August. Thank you!

Note: GROUP CLASSES WILL BE ON BREAK AUGUST 2nd-15th

## FALL STUDY HALL at HUSTON

With many schools doing online and hybrid classes in Fall, Huston will make classrooms available with a moderator for parents who need a safe place for their kids to study and do homework. We are working on a plan for booking days and hours, so if that is something you're interested in, watch our website and/or Contact Kris directly at the email or cell phone below.
